Industry 5.0 is now

## OUR HISTORY

Brillit Consulting, established in 2018 in Switzerland, emerged from the collaboration of highly experienced **Senior Consultants** with over **20 years** of expertise in the ICT industry. With a shared vision and passion for delivering exceptional solutions, Brillit Consulting has been providing innovative and tailored services to Clients worldwide. Since its inception, our Company has been committed to staying at the forefront of technological advancements, enabling us to consistently exceed our Clients' expectations and drive their success.

## OUR MISSION

**Innovation, experience** and **credibility** are our core values which aim to turn your business challenges into opportunities for growth and guide you towards a successful and sustainable future.

## LOCATIONS

The registered and main office is in **Chiasso**, which is joined by the operational offices in **Geneva** and **Zurich** with the assumption of overseeing important industrial and recruiting basins, near University campuses of National interest.
